Self-motivated and hardworking fresher seeking for an opportunity to work as **Software Developer(Java)** or as a **Business Analyst** in a challenging environment to prove my skills and utilize my knowledge & intelligence in the growth of organization.

Education

B.Sc. Software Engineering **Expected Graduation Date - 2015**
Sri Lanka Institute of Information Technology
(Curtin University, Australia)

GCE Advance Level (Mathematics-English Medium) **Aug 2012**
Hindu College Colombo-03

▪ Physics	S
▪ Chemistry	S
▪ English	C
▪ Z-Score 0.33	

Successfully completed **Diploma in ICT** with a **Distinction Pass** **June 2010**
IDM Computer Studies

GCE Ordinary Level (English Medium) **Dec 2009**
Amal International School

▪ English	A
▪ Mathematics	B
▪ Science	C
▪ ICT	B

Projects and Research

Software Engineering Project

Hotel Reservation System

(Web application using **PHP**-Codeignitor Framework)

Developed a web based system which contains 120 User Stories with a backend and a frontend where in backend;

1. Receptionist can handle reservation.
2. Restaurant Manager can handle promotions and menus.
3. Admin can handle employee details and other details.

And in frontend;

1. Customers can view details of the hotel
2. Customers can reserve rooms/food/ halls.
3. Customers can send feedbacks to hotel and etc.

Information Technology Project

School Management System

(Stand-Alone application using **Java**)

Developed a system that help the users to input the Details of Students, Staffs and etc. This system,

1. Allows to manage the details of the Students and Staffs.
2. The Class time tables and Furniture detail are stored.
3. Regular Backup ensures data availability and data enhanced
4. Eliminates duplication of duties
5. Generate report according to the information stored and etc.

Software Technology Project

Movie Tickets Reservation System

(Stand-Alone application using **Java**)

This system is a standalone system to buy tickets for a movie.

1. This helps to input the movies details and the tickets.
2. A report is generated for the tickets sale for a relevant month

Key Skills and Competencies

- Computer skills - C/C++, Java, PHP (Codeignitor Frame work), HTML, CSS
- Proficient in written and oral communication skills
- Demonstrated experience in leadership
- Ability to work both as a team and independently to meet given deadlines.
- Quick learner of new technologies and adaptability for different environments
- Strong ability to take a logical and analytical approach in solving problems and resolving issues
- Cooperative

Leadership and University Involvement

- | | |
|---|------------------------|
| ▪ An intern to India hosted by AISEC Jaipur for 6 weeks | May 2014-June 2014 |
| ▪ Team Member in OGX of AIESEC SLIIT | October 2014 – Present |
| ▪ Vice President of IT Club of Hindu College | Feb 2011 – Feb 2012 |
| ▪ President of English Society of Hindu College | July 2011- Nov 2012 |
| ▪ Member in Google Ambassador | November 2014-Present |
| ▪ Junior Prefect in Amal International School | Jan 2008-July 2009 |
| ▪ Member of Rotaract Club of SLIIT | Jan 2014-Present |
